13CABS Says Farewell to 30 Year Veteran

PLUS: News, Client Services, Training, TSC News, Hot Spots and More!
From the COO

It has been an eventful couple of months at 13CABS.

Our SMS booking service CABSTOP was officially launched on 10 September at the VTA State Taxi Conference. You may have already seen CABSTOP bookings from shopping centres or hotels. The official launch released CABSTOP to the general public. The launch of CABSTOP was the result of over 18 months work by 13CABS and the Monash City Council.

The Victorian Government has also begun the re-introduction of advertising on taxis. Operators could be earning $600 a year (plus GST) by simply installing an advertising panel on their cab. Installations are available at both Taxitech locations so book in to get yours.

Lastly, we have recently made the 13CABS Driver App available to Android devices. Check it out and download it from the Google Play store.

Keep reading for all the information on CABSTOP, advertising on taxis, the 13CABS Driver App and much more.

And remember CABSTOP – There’s no stress, taxi bookings by SMS!

Stuart Overell
Chief Operating Officer 13CABS
**Goodbye and Good Luck, Ian**

Operator Ian Witt recently sold his taxi licence and retired after over 30 years in the taxi industry. Ian will be missed by his regular customers and staff at the 13CABS Preston Office, where he was a regular visitor. There was never a visit where Ian didn’t pass on a joke he had heard along his travels.

Ian has had many memorable moments throughout his career. One which stands out in his mind is a passenger who decided to get out of the back seat while the cab was going 50kmh. After realising her mistake she hung on to the door until Ian could stop the cab. Ian helped her back into the car and rushed her to hospital.

The longest fare Ian ever had was a gentleman with a fear of flying. He asked Ian to drive him to Adelaide, wait and return! Ian jokes his shortest fare was Danny DeVito.

Everyone at 13CABS would like to wish Ian the best of luck and a happy retirement.
On 10 September 13CABS launched CABSTOP, the fastest way to book a taxi. Users simply SMS or Twitter DM a unique CABSTOP code to book a cab.

You may have already seen some CABSTOP bookings on your dispatcher. The yellow CABSTOP signs have already begun popping up at most major shopping centres including Chadstone, Westfield Southland, Westfield Doncaster, Northland, Werribee Plaza, Highpoint and many more.

How CABSTOP Works

**step 1.** SMS the **CABSTOP Code** on the sign at your location to 0431 13 2227

**step 2.** You will receive an SMS with your booking number and then another with your cab number

**step 3.** Wait near the sign for your cab. Some signs may include additional information on where to wait

**step 4.** Enjoy your ride!

For more information contact Simon Purssey, Marketing and Client Services Manager on 9277 3427 or go to CABSTOP.com.au

It’s not just shopping centres that have jumped on board though. CABSTOP signs can also be found at pubs, hotels, universities and TAFEs throughout metropolitan Melbourne.

Passengers can even jump online and get and get their own CABSTOP code at CABSTOP.com.au.

Prepayment of Fares

When receiving fare prepayment between 10pm and 5am ensure you always provide your customer with a receipt.

By ensuring your customer has a copy of the receipt, you save yourself time and money by avoiding disputes or misunderstandings at the end of your trip.

DC Renewal

When you receive your DC renewal notice it is important to remember some recently implemented changes.

If your DC has expired for between one day and three months, you will be required to provide a new National Police Certificate.

If your DC has expired for three months or more, you will be required to:
- complete a new application form, including a medical check
- provide a new National Police Certificate
- complete Certificate II Driving Operations Taxi Units TLI21210, including the Knowledge of Melbourne

You can speak with a 13CABS trainer about Recognition of Prior Learning, but a course fee will still apply.

It is also important to remember, your DC is not updated until you have your updated paper DC (pictured). A receipt of payment (also pictured) is not an updated DC.

It can now take up to 20 days to process a DC renewal. DC renewal notices are sent 10 weeks before your DC expires, so we strongly recommend you lodge your renewal at least three weeks prior to its due date.

Recall Restrictions
If you accept a booking and cannot proceed with it for any reason, please recall it as soon as possible. Holding on to a booking for 10 minutes or more before recalling it disadvantages the passengers and the next Driver who accepts the booking.

All recalls on correctly dispatched bookings incur a 30 minute plot restriction without exception. This means the longer you wait to recall a booking, the longer the time between accepting the job and being able to plot again.

Receipts
Please remember to offer your customers a receipt at the end of every trip. Receipts allow customers and Driver Support Operators to identify the vehicle in which the customer travelled. This is vital information when assisting a passenger with lost property enquiries or when they wish to provide feedback for their journey.

For further information call Susan Shaw, Contact Centre Manager on 9277 3720

The last night of the year is traditionally one of the busiest for the taxi industry with private parties and events throughout Melbourne. Everyone at 13CABS wishes you and your family a safe and prosperous New Year.
What is your role at 13CABS?
Accounts/administration assistant.

How long have you worked at 13CABS?
Almost 2 years.

What do you enjoy most about your job?
The people I work with. I couldn’t ask for a better team.

What is the funniest experience you have had while working at 13CABS?
There have been many amusing moments in reception. For example, I once spent about 20 minutes trying to explain to an elderly man that he had the wrong phone number and that this wasn’t Telstra.

What do you like to do in your spare time?
My family live in Queensland so I like to go up there as often as possible. I also enjoy going to Sydney when I get the chance.

What is your favourite movie?
My favourite movie would have to be Pitch Perfect.

What is your favourite sports team?
I'm from Sydney, so my favourite sport is rugby league and my favourite team is the Parramatta Eels.

What is your favourite or dream holiday destination?
I can't wait to go to Europe, hopefully within the next few years.

Recently a passenger left a bag in Lakhwinder's cab. Despite being at the end of his shift when he was alerted to the passenger's lost bag, Lakhwinder drove back to the passenger's hotel and returned it to them straight away. The relieved passenger was extremely grateful and even gave Lakhwinder an unexpected reward.

Great work, Lakhwinder!

How long have you driven cabs?
I have been driving since 2002.

What do you enjoy most about your job?
Meeting different people, of different nationalities. Sharing ideas with them and learning about their countries.

What do you like to do in your spare time?
I like to spend time with my family.

What is your favourite movie?
I like a lot of Punjabi movies and watch nearly all of them.

What is your favourite book?
I like to study religious books. When I was studying, I liked to read a lot of general knowledge books.

What is your favourite sport(s)/sports team?
Cricket and football. My children support Collingwood but I like every team. I prefer to just enjoy the game without favouring one team in particular.

Rachin’s Riddle

Three possums and three dingoes need to cross the Yarra River in a boat. The boat will only support two animals at a time and cannot cross the river empty. The number of dingoes on a bank cannot outnumber the number of possums on a bank at one time.

Q. How do all six animals get across the river?

Every correct answer to riddle.master@13cabs.com.au enters the draw to win 2 movie tickets!

The winner will be drawn on Wednesday 18 December and notified by return email.

The Answer to September’s Riddle:
George said five. The bouncer wanted to know how many letters spelt out the numbers he gave.

Congratulations to Mr Steven Lane who was September’s winner.

TSC News

Breaking Through the Language Barrier

As the taxi and hire car industry regulator, the Taxi Services Commission (TSC) wants to ensure that the information we provide to the industry is clear and informative.

From time to time, legislative requirements mean that we need to convey technical information to you via letter and other forms of communication, which can sometimes be hard to understand.

With the view to making our communication as effective as possible, the TSC will be conducting a poll in the November edition of Taxi eNews to get a better idea of the most common written languages (other than English) used by industry participants.

From this information, the TSC plans to translate some major communications into other languages.

Keep an eye out for the next edition of Taxi eNews on the TSC website (http://www.taxi.vic.gov.au/taxi-reform/consultation/preferred-languages) and have your say on what language you’d like included.
