Gero taxi drivers' partner with 13cabs

Local taxi drivers have joined forces with Australia's largest taxi network to bring 13cabs to Geraldton, creating a well-resourced and wide-reaching taxi service for the Geraldton community.

13cabs Western Australia Manager, Peter Sourivong said "We're excited to be partnering with local drivers because it means we'll be able to better equip them with pioneering technology to service the community and help get locals from A to B."

"The 13cabs booking app has just been activated for Geraldton and we've got a great bunch of professional drivers from the local community ready to provide world-class service" says Sourivong.

Geraldton local and 13cabs driver, Nadeem Muhammed said "By joining forces with Australia's favourite cab company, we've been able to tap into some innovative resources such as the 13cabs app. I am proud to be a part of a workforce of local drivers who know the streets like it's their backyard. It's a win for the community and the economy here in Geraldton"

Alongside a professional cab service, 13cabs brings to the region the 13things instant delivery service for food, parcels and medical supplies. 13things is a hassle-free delivery service for local businesses and the community.

"We're excited to provide locals access to Australia's most recognised taxi brand and, in turn, our world-class technology and safety systems" Mr Sourivong said.

Geraldton is the latest in a series of regional centres to benefit from a partnership with 13cabs following a successful roll-out in Mandurah during August.

From today people can book 13cabs by using the 13cabs app or phoning 13 2227.

With the introduction of 13cabs in Geraldton, we also aim to provide employment opportunities for people wishing to drive taxis. They can register their interest by emailing join@13cabs.com.au or calling 1800 546 687
