New local taxi company to boost cab service in Gilgandra

A new local cab company reveals it has teamed up with 13cabs to deliver a better resourced taxi service for the Gilgandra community.

Local taxi driver Vikram Singh launched a new partnership with 13cabs in both Dubbo and Wellington earlier this year which saw cabs enhanced with distinctive 13cabs branding. A key reason for the partnership was to enable locals' access to Australia's top rating 13cabs booking app. Now Vikram is bringing that same level of service to locals of Gilgandra.

Mr Vikram Singh said "Gilgandra is a great town and we need more transport options. We're excited to be continuing our partnering with 13cabs because it means we'll be able to better service the community and help get locals to wherever they need to go in town."

"By tapping into the incredible resources of a national company, we're able to give people more convenient ways to book while growing our workforce of local Drivers who know the town like the back of their hand."

13cabs General Manager, John Dulgaro said, "We're incredibly excited to continue to partner with Vikram Singh. We're proud to provide locals access to Australia's most recognised taxi brand, and in turn, our world-class technology and safety systems."

"Whilst we do tap into the support of a national taxi service, be assured that our business will remain firmly established within the community." Mr Singh ends.

13cabs is now offering contactless deliveries of food, parcels and medical supplies through the launch of 13things, an 'instant' parcel delivery service for local businesses and members of the community that are wanting their essential and non-essential items delivered.

Gilgandra is the latest in a series of regional centres to benefit from a partnership with 13cabs following a successful rollout in Wollongong in June.

Available now, Gilgandra locals can access the new cab services by downloading the 13cabs app or by calling the 24/7 Contact Centre on 13 2227.

With the introduction of 13cabs, we also aim to provide employment opportunities for people wishing to drive taxis. They can register their interest by emailing join@13cabs.com.au or calling 1800 546 687
